EDITORIAL: By the time you receive this months newssheet we will hopefully have completed a successful first railtour for "The Class 37 Group". It is quite strange to be writing this before the event knowing that by the time people read it the railtour will have been and gone. This railtour, 'The Tyne, Tees & Wearman' definitely runs as planned and advertised. No doubt a full account with all the gory details will appear in next months "Syphon." although I promise there will be other things aswell. During the last few months I have had to stockpile quite a few potential articles and features. To clear the backlog, Octobers magazine will be "as big as necessary". Amongst other things it should include the long overdue livery list. To cope with the extraordinary number of passenger workings recently, this months newssheet includes a 4 page "gen supplement".

AGM: Our fourth Annual General Meeting will be held on Saturday 10th November 1990 at The Great Northern Hotel, Peterborough, as per last year. For the benefit of those who have not been before, it is right opposite the railway station entrance. There is a fair size car park at the rear for those who will be driving. Other facilities include a bar, tea and coffee will be available during the meeting at members own expense. In accordance with our Constitution, anybody who wishes to stand for a Committee post must send a written nomination, proposed and seconded, to the Secretary, to be received no later than 14 days before the date of the AGM. Committee members are expected to attend monthly Committee Meetings and make occasional financial contributions towards the running of the Group. The Committee posts are: Chairman, Editor, Membership Secretary, Publicity Officer, Sales Officer, Secretary and Treasurer. All the present Committee are restanding, however, Jerry Dickinson is to be nominated for the vacant Publicity Officers post and Dean Warner will be restanding for the Sales Officers post which he would in future do on a solo basis. There were no suitable nominations for the Chairmans post which was advertised in the July newssheet and this post remains vacant. Any resolutions to be put before the AGM must also be received by the Secretary no less than 14 days prior to the date of the meeting. The meeting commences at 1400, although the room is booked from 1300, and I expect we will have a slide show afterwards as usual. Please come along if you can.

LOTTERY: Thankyou to those people who have already purchased these, we need to sell quite a lot more to make a decent profit like last year. Please send all monies and counterfoils or unwanted tickets to Dean Warner at 10 Surbiton Road, Ipswich IP1 4AX by Saturday 22nd September at the latest.

PHOTO'S: This is a request to all of you who take photo's. Some outlets offer a facili whereby an extra set of prints can be obtained at the time of developing for £1. Where people are able to get this service, could we ask you to get the extra set of prints and send them to the Sales Officer so they can be sold at events we attend with the sales

FRONTLINE DRAW: THE WINNER FOR AUGUST WAS DAVID GORDON'S (37077) - HE COULD DO WITH A few more members and if you'd like to join please send £4 to the Membership Secretary by the end of September to be enrolled for the remainder of the current series.

NEW MEMBERS/RENEWALS: The July renewals were not quite able to top the 95% achieved by those for June. We need one more renewal from August for 100% - you know who you are! Anyway, a big thankyou to the following: Mr M.Green (37002); D.Morris (37032); David Orford (37034); Mr J.Hawkins (37077); Steve Marshall (37095); Julian Shields (37100); Mr P.Monaghan (37128); Mr M.E.Ireland (37163); Mr J.Ireland (37164); Mr T.E.Dowle (37165); Mr A.P.Dowle (37166); Mr H.Howarth (37200); H.Farries (37202); S.Cassidy (37203); Mr D.Owen (37207); Mrs J.Owen (37208); Mr C.Owen (37209); Mr P.Hayward (37210); Mr J.Hayward (37211); Mr T.Hayward (37212); Mr R.Dodd (37213); Chris Guntripp (37214); Mr S.Branch (37215).

A very little known facility that we offer is the choice of membership numbers. If you want to change your number for one on the following list, you can do so by sending your request with £1 (which goes straight into the Preservation Fund) to the Membership Secretary. This list will be updated and printed at regular intervals.

NEWSDESK

The only reallocation between the dates of 31.7.90 and 27.8.90 was:

37025 1M-ED DCEA-DCHA

I have received unconfirmed reports that 37244 has been placed 'on decision' due to the condition of its bogies. One possibility could be a swap with those from a withdrawn class 50? 37116, the last of the class to retain buffer skirts, was observed at Ipswich on the evening of August 31st minus a buffer. Further details would be appreciated. One 37 in the news during August was 37797. Having been released from Stratford DRS after a long stay it soon returned with a knackered turbo-charger. It's repair coincided with the extremely hot weather which caused the overhead wires to sag on the Norwich to London line. This led to a number of diesel hauled substitutions and a request to Barry depot to use 797 on the 2230 Liverpool Street to Norwich, which was granted. I would be interested to receive any information you find out about class 37's, in addition to the usual sightings.

LIVERIES: Recent changes include: New to: Triple tone 'Metals' - 37077/092/100/513; Departmental - 37196; Triple tone 'Coal' - 37801.

"THE SULZER ROSE" - The BRC&W Type 3 Preservation Group, Saturday September 29th, 1990.

I would like to thank the following people who have supplied most of this information: Steve Keeble, David Wilson, Steve Fennell, Neil Murphy, Jerry Dickinson, Dave Ruddick and Jim Ramsay.

In addition to the workings listed it is believed 37's were used a number of times on Glasgow-Ayr reliefs ie 37375 on 3/8. 37174 worked a Paignton-Newcastle from Gloucester to Birmingham on 17/8 and 37501+502 made two trips to Boulby on 19/8.
